TALKING HEADS – MANAGING HAIR LOSS

maggie's

Maggie's Talking Heads

- Every month at Maggie's
- For anyone who is anticipating or experiencing hair loss
- For both men and women
- Each group is led by a Cancer Support Specialist

The aim of Talking Heads is to give you an opportunity to share your experiences and anxieties around losing your hair and to learn practical ways to manage this. This will include help with wig and scalp care, learning about scarf tying and experimenting with a range of styles of headwear.

- I would like to take part in Talking Heads
- I would like someone from Maggie's to get in touch
- I would like to take part but cannot because:
